EXPERIENCE

SideHustle Internship, Remote — *Intern*

March 2022 - April 2022

At SideHustle I was exposed to React, a Javascript framework used in Web Development. We worked collectively in groups to create an online web store.

Zuri HNG, Remote — *Intern*

October 2022 - November 2022

At Zuri I extensively worked on my React skills by making use of Material UI, a CSS framework used for Front-End web development.

I built a landing page displaying my personal page, and another website that sells imaginary NFT's.
